Grade: _____ Date of Birth: _____ Tuition Cost _____

Parents or Guardians of Student:

Name: _____

Daytime phone: _____ Evening phone: _____

Address: _____

Relationship to Student: _____

Please attach the following four items to this application (or group of applications):

1. A copy of your most recent Federal tax return.
2. Summary Statement of family assets (equity in home, autos, boats, etc.).
3. Projected monthly family budget for this coming year.
4. Brief description of financial need (job status change, disability, illness, etc.).

Please also check the following items to which you subscribe or own:

Dish Network or Direct TV	Cable TV
Broadband or DSL Internet	Boat or RV

I am requesting a grant of _____ per month.

The following guidelines will be used by the Finance Committee in making their decisions.

1. Assistance is for tuition only, not bus or other fees. Typically 10% - 50% per month.
2. Grants are based on available funding and the committee's evaluation of comparative need.
3. Scholarship grants are for the purpose of providing a Seventh-day Adventist Christian education—not just education in a private school. We assume our parents will also bring their children to Sabbath School and Worship regularly to encourage Christian nurture.

Applications are due in the church office on or before July 15. (See note below) The Finance Committee will meet and review each application. The scholarship funds granted will be sent directly to SVJA monthly to assist families with their tuition obligation. Parents and/or Guardians are responsible for the school bill.

I authorize Sierra View Jr. Academy to release to the Porterville Adventist Church Finance Committee information regarding my child's/children's grades, attendance and citizenship records.

Signature of Parent or Guardian: _____ Date _____

Note to Parents: We have limited funds but we want to help as many families as we can, based on financial need. Please notice the earlier, firm deadline. This 1) allows us to look at all requests and commit all available money at one time and 2) enables you to know of our commitment before school registration. If you turn in your application after the deadline, we will have already assigned all our available funds. Therefore, please consider your financial needs early and turn in your application early.
